

Insurance Statement

The school has in place an Insurance Statement, which sets out its current insurance arrangements and the provisions for those arrangements to be reviewed.

In order to mitigate the risk of fraud, access to the Insurance Statement is restricted. If you have any query relating to its content or implementation, please contact our School Business Manager, Andy Fisher, who will help if he possibly can. Andy's contact details are as follows:

Email: andy.fisher@sandwich-tech.kent.sch.uk
