# Assessment Record for determining teacher assessed grades in Summer 2021

## Background

Every centre must produce an Assessment Record for each subject cohort, that includes the sources of the assessment evidence being used and the rationale for the choice of evidence, the level of control for assessments considered, and any other evidence that explains the determination of the final teacher assessed grades. Any necessary variations for individual students must also be recorded.

Your Assessment Records must take account of the guidance provided in the document: *JCQ Guidance on the determination of grades for A/AS Levels and GCSEs for summer 2021*

## **Assessment Evidence Form**

**[To be completed by the Head of Department for each subject, for each level (e.g. GCSE Maths, AS Maths and A Level Maths would require separate grids)]**

Please detail the assessments used for the subject cohort (i.e. assessment resource, mock examination, controlled assessment, homework etc.). The Assessment Evidence Form should include the sources of the assessment evidence being used and the rationale for the choice of evidence, the level of control under which assessments were completed (i.e. exam-type conditions would provide a high degree of control), and any other evidence that explains the determination of the final teacher assessed grades.

*Note: Ideally, the evidence used will be consistent across the class or cohort but that may not always be the case if a student has missed some teaching, or one or more assessments, for valid reasons. Any necessary variations for individual students should be recorded using the additional form below.*

Indicate which assessment objectives were covered in each piece of assessment evidence (Y/N), and whether the assessment was conducted with a High (H), Medium (M) or Limited (L) level of control.

	Type of Assessment					Level of Control H, M, L	
		Topic 1	Topic 2	Topic 3	Topic 4		
Assessment 1: June 2020 Past listening Examination paper	Written examination in style of past paper	Y	Y	Y	Y		H
Assessment 2: June 2020 Past Reading Examination paper	Written examination in style of past paper	Y	Y	Y	Y		H
Assessment 3: <b>June 2020 Past writing examination paper</b>	Written examination in style of past paper	Y	Y	Y	Y		H

**If an assessment objective has been omitted at subject cohort level please briefly outline the reasons why:- All have been covered**

**Outline the rationale for the choice of assessment evidence used, i.e. why the evidence above was used and how it supported the grading decision:-**

**All three skills (listening, reading and writing) were covered and all three themes. This ensured that we covered all areas of the course. Past examination papers from June 2020 were used in order to ensure that students' most recent work was assessed. Using the markschemes provided meant that marking was accurate.**
