

**TASK: Create an information page that states the aims and objectives of the agencies on the sport family tree.**

**Task: Create a power point: describing the difference between UK Sport and Sport England**

The family tree consists of:

- **Department for Culture, Media and Sport**
- **The Department for Education**
- **The Department of Health**
- **The National Disability Sports Organisations**
- **National Lottery**
- **The Sport and Recreation Alliance**
- **Sports England**
- **UK Sport**

Produce your evidence (a word document) for \*P1:

Outline the components of a healthy balanced diet, including recommended guidelines from public health sources associated with nutrition.

Remember to use the Specification sheet from that you downloaded during our lesson in the induction week.
