Dear Parent/Carers,

A reminder that our uniform policy and dress code can be found on the school website under Supporting Students. Any infringements are being addressed, in the first instance, with the students themselves and in some cases, we will be contacting parents for support.

In particular, students have been given until Monday 6th September to ensure that:

- Hair is a natural colour
- Nails are natural in length and colour. No acrylic nails are permitted.
- Jewellery is not permitted other than a single set of stud earrings. Nose piercings recently done can only be a small, clear stud or must be covered at all times with tape (plaster). After six weeks the stud must be removed when in school.

We are aware that there has been a genuine delay from the uniform supplier so please contact the year team via email if this means your child is not able to be in full uniform for the next few days while you await delivery.

We do have some second hand uniform available should you wish to enquire about purchasing this. If anyone has any outgrown uniform we happily take donations. Please contact the reception team.

Thank you for your support with this,
Lucy Wanstall
