

18 June 2021

Dear Year 10 Parent/Carer

I am writing to inform you that we are offering an array of Lunchtime and After-school Intervention sessions for all Year 10 students in the final weeks of the academic year. This will enable your child to access intervention with subject specialists in order to help embed the learning that is already taking place during the school day. The invitation for these sessions is open to all Year 10 students and I very much look forward to seeing a good level of attendance across the subject areas.

Please find attached the timetable, which will be going live from Monday 21 June 2021. There is no need to book a place – your child should simply arrive at the classroom shown on the timetable and register with the relevant teacher. The after-school sessions will finish no later than 16:30.

Yours faithfully

Alan Cadby
